

Attached is a Supplemental Declaration For Reissue executed by Ann Rando, legal representative on behalf of deceased inventor Joseph F. Rando, and by inventor Jeffrey M. Novak.

The Supplemental Declaration also corrects for a typographical error in the original reissue declaration that incorrectly referred to application "08/570,625" that should have read --08/570,626-- for the parent application.

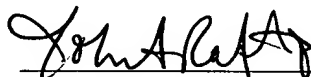

A prior Amendment filed July 30, 2003 amending paragraph 1 of the Specification also corrected reference to the correct application number --08/570,626-- of the parent application.

II. Conclusion

Therefore it is submitted that Claims 20-46 are allowable over and a Notice of Allowance is earnestly solicited.

Respectfully submitted,

Dated: March 19, 2007
